

## Meeting of the IDEA Hydroperoxides Task Force

December 12<sup>th</sup>, 2016 – 12h30 to 5h30 pm

IFRA Offices  
6, Av. des Arts, 1210 Brussels (Belgium)  
+32 (0) 2214 20 40

### Draft Agenda

- 1) Welcome to the participants.
- 2) Antitrust statement:  
The participants are reminded the constraints of the antitrust law. All agree that there should be no discussions of agreements or concerted actions that may restrain competition. This prohibition includes the exchange of information concerning individual prices, rates, coverage, market practices, claims settlement practices, or any other competitive aspect of an individual company's operation. Each participant understands the obligation to speak up immediately for the purpose of preventing any discussion falling outside these bounds.
- 3) Review of data generated on analysis in complex bases.
- 4) Review of methods for analysis in complex bases.
- 5) Plan ring trial in complex bases:
  - a) products to be tested and test set-up,
  - b) methods,
  - c) participation (who) and timeline.
- 6) Review and discuss conclusions for the IDEA Workshop on pre- and pro- haptens on December 13<sup>th</sup>.
- 7) Review and discuss what products to test and by whom to get to better exposure assessment - proposal to be presented to the participants of the IDEA Workshop on pre- and pro- haptens.
