

## **IDEA Workshop**

**PROJECT: Skin Sensitisation Risk Assessment: NAMs and Derivation of NESILs:**

**Working towards non-animal risk assessment for skin sensitising materials –  
developing the IDEA strategy**

**October 10, 2024; online**

### **AGENDA**

- 13:00 – 13:10: Welcome and purpose of the Workshop in the context of the European Regulatory environment (J. Bridges)**
- 13:10 – 13:30: Purpose, Objectives and Challenges of the IDEA NAMs Project and development of the RCPL (I. Kimber)**
- 13.30 – 14:00: The RIFM in vitro test program with quantitative endpoints (I. Lee)**
- 14:00 – 14:40: In vitro data and prediction approaches: initial results comparing the RCPL with data from the GARD-DR and Linear Regression models (A. Natsch; P. Griem)**
- 14:40 – 15:00: Extending the RCPL (A.Irizar)**
- 15:00 – 15:15: Break**
- 15:15 – 15:35: Outlook: How to tailor considerations of uncertainty into risk assessment (A. Natsch)**
- 15:35 -16:05: General Discussion (All)**
- 16:05 -16:40: Key Conclusions and Next Steps (H. Bender, All)**
- 16.40 End of Workshop**
